- Perimeter Fence Removal
 - Board had a lengthy discussion about options regarding the perimeter fence in the back of approximately 25 homes in the neighborhood. (Built by Lakewood Homes originally and on HOA property behind homes on Ridge Road)
 - Yearly costs to repair fence are about \$7,000.00 to \$8,000.00.
 - Board discussed options with homeowners to help cut downs these costs.
 - ❖ Options Discussed:
 - ◆ Continue to fix fence every year.
 - ◆ Cut down fence.
 - ◆ Cut down and have homeowner move onto their property if they wish.
 - ◆ Leave fence where it is and as is and transfer the property to homeowner to become their responsibility.
 - ◆ Leave fence where it is, pay to install steel posts and fix any current major damage and then transfer the property to the homeowner to become their responsibility.
 - Perimeter fence homeowners requested the HOA to take out a bank loan or to special asses the neighborhood to help offset the cost of the yearly fence repairs.
 - Board is trying to weigh costs of options for the good of the affected homeowners, the entire neighborhood, and the best use for HOA funds.
 - ◆ How much to take down fence?
 - ◆ How do we “give” property to homeowners?
 - Fees for transaction?
 - Title of property?

- How would a transfer of this property affect homeowners should they sell their house? New homeowner would have to agree into the terms of responsibility of fence.
- Board requested time to do some additional research to help make the best informed decision and agreed with homeowners to revisit the issue at a special meeting tentatively scheduled for August 8th, 2018 at 6:30 pm at the Lakewood Prairie Clubhouse.

 - Meeting minutes will be posted on the website once approved.
 - Elections are held in October each year. Information to run is included in the meeting notice mailer/email.

 - Please have lifeguards say “Safety Break” instead of “Adult Swim” as to not discriminate against children.

❖ Adjourn

- 8:48pm
